

Corporate Intro Letter

Dear McDonald's Owner/Operator,

As part of our September initiative for Pediatric Cancer Awareness Month, we're proud to introduce the *Ronald McDonald Kitchen* donation program—a simple and heartfelt way for customers to give back to children in local hospitals and Ronald McDonald Houses.

Enclosed is a complete promotional package you can implement with minimal effort. This includes:

- Employee training language
- Table tent messaging for counters and dining areas
- A branding overview for internal use

This initiative gives guests the opportunity to donate a cone or Happy Meal at checkout, offering them a moment of joy and purpose, and delivering real meals to children undergoing treatment nearby. Franchisees will retain a small portion of each donation to support participation, with the remainder going directly to serve these families.

We invite you to join us in making this program a success across the region.

Warm regards,

[McDonald's Regional/Corporate Name Here]
